Goward Playground Renovation

Goward Playground Needs an Extreme Makeover! Let's give our kids a new safer place to play in the center of Acton!

Who We are: We are a group of Acton, MA citizens and parents who are concerned about the age and safety of the Goward Playground adjacent to the Acton Memorial Library.

What We Are Doing: The playground, originally installed in 1995, is badly in need of renovation. Our goal is to raise over \$100k, with the balance coming from other sources including the town and grants.

WE NEED LOTS OF COMMUNITY SUPPORT. HERE'S HOW YOU CAN HELP:

DONATE: Either online at www.friendsoftheplayground.org/donate.php or by check made payable to "Town of Acton" and mailed to: Jana Cataldo 9 Greenwood Lane Acton, MA 01720*

BUY A BRICK: A great personalized gift that will last forever. Visit www.friendsoftheplayground.org/buy-a-brick.php to order yours today!
